Watch and record local HD channels like ABC, NBC, CBS, FOX, CW, PBS and more\* with no monthly fees, at home or on a mobile device.

WORKS WITH  
sling

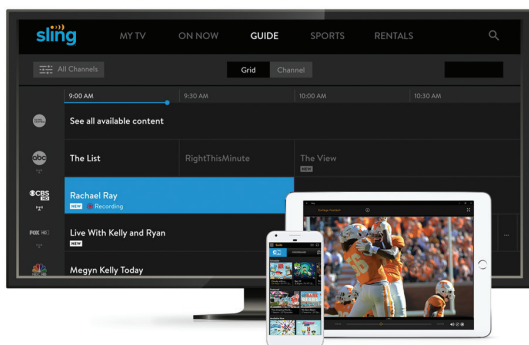

HD antenna  
required

### FEATURES AND BENEFITS

- ✓ Watch local HD shows, sports, and news anywhere
- ✓ Record shows with DVR functionality\*\*
- ✓ Stream local channels over WiFi with one HD antenna
- ✓ Watch local channels on a TV or mobile device with the integrated Sling TV® app
- ✓ Works with compatible media streamers and smart TVs

### WATCH ANYTIME, ANYWHERE

With AirTV 2 and the free Sling TV app, you can watch live or recorded\*\* local channels at home or on the go with a mobile device.

### LOCAL CHANNEL DVR

AirTV offers a whole-home DVR solution. Using the Sling TV app (required) and an external hard drive, record and playback live content from any compatible device.

#### • Dual Tuner

Record up to two shows at once or watch one show live and record another.

#### • Integrated DVR

Recorded content will appear alongside Sling TV's Cloud DVR for seamless integration.

#### • Functionality

Pause, rewind, or fast-forward recorded local channel content.

*Sling TV subscription not required.*

*\*Channel availability varies based on geography.*

*\*\*Local Channel DVR requires an external storage device (sold separately) to record. Hard drives must be larger than 32 GBs, AirTV 2 currently supports recording up to 2 TBs of storage for DVR. Sling TV's Cloud DVR requires a monthly subscription.*
